

BSNL extends “seamless connectivity in Delhi & NCR area”

Public sector telecom giant, BSNL extended “seamless connectivity in Delhi & NCR area” to its mobile customers to stay connected in Delhi by way of roaming on to the network of Vodafone Delhi alongwith its existing tie up with MTNL.

BSNL Customers need to give their consent to BSNL by sending SMS<ACT ROAM> to 53333 to use Vodafone Network in Delhi as additional feature through Manual Network Selection. Initially, a notional incoming call charge is to be payable by BSNL Customer in Vodafone Roaming.
