Reliance Jio, BSNL sign tower deal

New Delhi, August 26

Reliance Jio Infocomm (RJio) has signed a deal with state-owned telecom firm BSNL for leasing around 4,000 mobile towers. According to the deal, BSNL will be offering a base rate of ₹38,000 a month for ground based towers and ₹24,900 a month for rooftop based towers. BSNL, however, will offer discounted rates if RJio commits leasing of at least 1,500 towers in the first year. "The rent for ground towers will be ₹35,000 per month and ₹21,000 a month for rooftop towers if RJio commits leasing of 1,500 towers in first year," BSNL Director (Consumer Mobility) Anupam Shrivastava told PTI. He added there is also a provision of 5 per cent discount if RJIL commits leasing of at least 1,000 towers in three months. PTI
