### **BSNL augments its VSAT Satellite Gateways located at Yeur**

Bharat Sanchar Nigam Limited (BSNL), one of the leading telecom operators of the country augmented its VSAT Satellite Gateways located at Yeur (near Thane in Maharashtra) and at Sikandrabad (near Bulandshahar in UP) to provide high speed internet (upto 100Mbps) using VSAT Technology. This has enabled BSNL to connect remote parts of country including North-Eastern states and high altitude terrains.
