New course in Telecom Management

R. RAVIKANTH REDDY

The University of Hyderabad and the BSNL have decided to share their expertise launching a Post Graduate Diploma in Telecom Technology and Management (PGDTM) that promises to open new avenues to students and professionals in the fast growing telecom sector.

The course will be jointly offered by the University of Hyderabad (UoH) and National Academy of

Telecom Finance and Management (NATFM) of the BSNL, through Distance and Virtual Learning.

N. Kalyan Sagar Chief General Manager (NATFM) said that it was the first initiative in the Telecom Technology and Management area in not just in India but across the globe.

The course will bridge the industry-academia gap in the telecom sector and enhance employability, he said.

Mr. Kalyan Sagar said

The course will be offered in two semesters - January to June and July to December

that the course will be offered in two semesters - January to June and July to December. Two weeks on-campus contact classes in each semester will be

conducted which will include field visits to telephone exchanges and billing centres.

This programme is open to engineering graduates and Post graduates in ECE/ETC/Information and Communication Technology (ICT) branches and M.Sc. (Electronics), Other Engineering graduates and B.Sc. (Electronics) graduates with two years experience in communication field are also eligible.

S. Jeelani Director, Centre for Distance and

Virtual Learning, UoH said the prospectus for the ensuing academic year will be ready by second week of November and last date for submission of applications will be January 31, 2014. UoH Vice-Chancellor Ramakrishna Ramaswamy, Director Finance, BSNL, KCGK Pillai and V. Srinivasan, Chief General Manager, AP Circle were present at the launch.

Details can be had on 040-23006553 and 23000241 or on www.natfm.bsnl.co.in.
